Dear Sir:

Upon reviewing the above-identified patent, Patentees noted a typographical error, which should be corrected.

REMARKS

The error was introduced by the applicant in a preliminary amendment filed February 11, 2004. Specifically, claim 10, line 2, the phrase "AP said that the fire trigger signal (PSA)" should read --a P sense amplifier trigger signal (PSA)--. This is consistent with the language of the specification describing the PSA signal as a signal for activating or triggering a P sense amplifier. See e.g., Specification Page 5, line 15-20, Page 6, lines 3-7.

Please charge our Credit Card in the amount of \$100.00 covering the fee set forth in 37 CFR 1.20(a). Credit Card Payment Form SB-2038, with a signature from an authorized cardholder, is enclosed.

The error now sought to be corrected is an inadvertent typographical error, the correction of which does not involve new matter or require reexamination.

Transmitted herewith is a proposed Certificate of Correction effecting such amendment. Patentees respectfully solicits the granting of the requested Certificate of Correction.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 04-1073, under Order No. M4065.0388/P388-B. A duplicate copy of this paper is enclosed.
